JSR Current Happenings

By Harley Davidson,
SASS #47309

Welcome back to those folks who had the opportunity to go to the last End of Trail in Southern California! Next year's EoT will be moved to the new SASS Ranch 20 miles outside of Albuquerque, New Mexico. Be sure to check out Sweetwater's article for a great review of some of the events at EoT.

Here at home we are still preparing for our annual shoot in August and the

fliers have gone out and registration is now open, so be sure to get your registration in before it's too late! If you haven't received your flier and want to register, you will be able to download it from our website or call the Col. at 734-8509 to get one. There will also be a few work days at the range to clean up for the annual and all are welcome if you want to lend a hand.

Just Bill is still hard at work as the Ashland Gun Club advocate promoting our use and maintenance

of the property. He has been very involved in the discussions between the Parks Department and Historical Society about the gun club lease. The final decision on the new lease will probably take several months.

JSR has been invited again to come to Jacksonville every Saturday in costume with rigs and guns to walk the streets, hang out in the shops, and mingle with the shoppers and visitors. So come out and have some fun!

Thoughts and Impressions from End of Trail

Sweetwater Jack

First of all comes: HEAT! Temps at EoT ran from the 80's through a reported 109 degrees that week! Secondly....FUN!!! 12 Great stages to shoot. Targets were of a good size and distances were such that even I COULD (maybe) have shot them clean. Got 5 clean as it was. The "theme" for all stages was the movie "Tombstone", with memorable lines from the movie to start each one. The "flying vulture" target was unique and fun! The

food stalls were well attended, with lots of my favorite kinds of BBQ, pancake breakfasts, Chinese and Chuck wagon cooking. I was really impressed with the Mounted Shooters! And, as with the Action Shoot-

ers, the youngsters were the ones to watch, especially the young ladies. Some of the demonstrations with the riders shooting the balloons from behind their backs amazed me. The old-time Wild West Show was fun as well! The Jefferson State Regulators were honored to have THREE members inducted as "SASS Regulators"! Colonel Gilliam, J.D. Walker and Rebel Belle are all newly minted Regulators! J.D. accepted for all three and was truly surprised and moved. All the JSR gang did pretty (continued on Page 2)

Cowboy Sayings

If lawyers are disbarred and clergymen are defrocked, shouldn't it follow that cowboys would be deranged?

well in the shooting, and our "Top Gun" has to be Line Century for taking 6th place in the Elder Statesman Category! I felt good just finishing without shooting anyone, dropping a gun or getting any procedurals! I did

do better in the Costume Contest though, taking the 3rd place trophy for the Military Division as a Spanish American War naval officer, in tropical white dress uniform. I may not shoot fast or well, but I clean up

good. Gaye Abandon invoked the Shopping Gods and Conventioneered up a storm! All in all, a great time was had by all attending!
