## JSR Happenings

By Harley Davidson,  
SASS #47309

As usual, there are lots of things going on with JSR.

Mark your calendars and come out and join us for a work party at the range April 9th starting at 9am. As well as doing some general maintenance and grounds keeping, there are plans to put a new metal roof on the JSR steel building. Be sure to

bring your cordless drills if you have any.

The JSR annual shoot flyers are going out this week. Be sure to send in your application as soon as possible to secure your spot in this great two day event. The Merlin Marauders also want to let everyone know they still have spots available for their "mini" annual shoot that is scheduled for July 9th.

Starting next month JSR will start having annual shoot committee meetings so be sure to look in your next month's newsletter for more information if you would like to get involved.

The Wild Bunch side matches held at the last two monthly shoots raised \$320 for Oregonian and his family. Oregonian has expressed his *(continued on Page 3)*
