JSR Happenings

By Harley Davidson,
SASS #47309

Can you believe the year is over?! December finds us getting ready for the holidays, wrapping up the year, and looking forward to the year to come.

The JSR Cowboy Christmas Celebration was a great event attended by 30 cowboys, cowgirls, and their families. Dinner was delicious and the Steal-A-Gift game was full of fun. The one of the highlights of

the evening was Cinona Hawk receiving the "Spirit of the Game" Award. The beautiful wood plaque was made and generously donated by High Spade. It was definitely a wonderful event and if you weren't able to attend, we hope you can make it in 2006. You can also enjoy some of the leftovers after the December monthly shoot where there will be ham sandwiches and sparkling cider served. What a yummy-way to end 2005!

On a housekeeping note: If

you attend the JSR business meetings, we have been asked to enter the restaurant through the door closest to the meeting room if you are bringing any guns to the meeting. And, any guns that you bring do need to be in a case and double checked to ensure that they are not loaded.

We hope you have had a wonderful 2005 and I will write to you again in 2006!!! Happy Holidays and New Year!!!

KNIGHT VISION

By Jed I. Knight
SASS # 36423

Thanks! Thanks to all of the shooters who come early, stay late, set-up and take down steel, keep score, pick-up brass, "time", etc. It all really makes a difference; spreading the workload out creates more time for fun and socializing for everyone. Thanks also, to the members of the Jefferson State Regulators for your vote of confidence in electing me your Club President.

Forty (40) Cowboys

and Cowgirls braved the cold to shoot November's monthly match. It warmed up quickly after the sun burned off the morning fog and the 40 shooters shot their way thru 5 creative stages.

Stage 1, by Col. Cornelius Gilliam had the shooter using 2 pistols and 1 shotgun to blast thru 12 targets. This consisted of 2 pistol sweeps on 5 targets and a minimum of 12 rounds from the shotgun (more if the shooter had misses to

make up). The fastest time on this stage was by Ramblin' Dave with a time of 36.19.

On Stage 2, by Harley Davidson, the shooter had to protect their turkey from a band of Indians. This stage was 10 pistol shots, 10 rifle shots and just 2 shotgun rounds – the fastest time being, again, Ramblin' Dave who shot it in 23.11 seconds. **Stage 3** by Just Bill had the shooters in a surreal setting were Just Bill was the "Hunter" (Continued on Page 3)

Extraordinaire" and the shooter was trying to walk in his footsteps. This stage used only 7 targets and 4 of those were for the shotgun. The shooter shot the four shotgun targets and then 9 shots from the rifle at which point the shooter moved laterally to shoot 10 rounds out of their pistols. The fastest time on this stage was by Purgatory Smith who shot it in 28.49 seconds!

On **Stage 4**, by H. Apple Bob, the shooter had a series of Nevada sweeps and a small bo-

nus target that had to be shot, with the rifle, in the "off" hand! The Col smoked his way to top speed honors on this stage. Blowing smoke rings thru 10 pistol shots, 9 (plus the bonus reload) rifle rounds and 4 shotgun rounds in just 29.41 seconds! Did I mention the bonus target was small?

Stage 5 by Jed I. Knight had the shooters fumbling inside a turkey to "fish" out the shotgun shells needed to defend his property from invaders. These

"steely-eyed" would-be rustlers were pounded with lead rain when the shooters unleashed a volley of 10 pistol shots, 9 rifle shots and 4 rounds of shotgun! Some shooters expended more shotgun shells as they were allowed to "make-up" any pistol misses with the shotgun. This stage was shot in 32.63 seconds by Purgatory Smith, Gunfighter style!

After the shoot we enjoyed Antelope stew made by Just Bill and sat around sharing sto-
