JSR Happenings's

By Harley Davidson,
SASS #47309

I am sorry for such a delay in getting this newsletter out, but this month has been so crazy! The end of school is always so much more hectic than

the beginning. -I don't care what anybody else says...

Anyway, the club too is down to crunch time for our annual shoot. July's business meeting is going to be a big one, so we

need all the help we can get! On the agenda, we have to plan work parties to get the range cleaned up, we have to determine how many more door prizes we need, what to add to the shopping list,(continued on Page 2)

KNIGHT VISION

By Jed I. Knight
SASS #36423

Howdy all! Twenty shooters showed up to enjoy JSR's May monthly match.

In the absence of our Match Director we took a scenario out of the book for Stage One; the JSR "Shotgun Stage". This stage, written by **Col. Cornelius**, required 2 pistols loaded with 5-rounds each and one shotgun with a minimum of 12-rounds. Fastest time on the stage was by Purgatory who shot it in 36.84 seconds.

Stage Two was written by first-time-scenario-writer **Treacherous Jack**. This stage required 10 pistol rounds, 10 rifle rounds and at

least 6 shotgun rounds. Fastest time on this stage was by **Purgatory** who shot it in 31.81 seconds.

Stage Three, the Overland Express, was written by **Sourdough Smitty**. This stage required 10 rounds from two pistols, 10 rounds from the lever gun and 6 rounds from the shotgun. Fastest time on this stage was by **Bear Bone Smith** who shot it in 37.38 seconds.

Stage Four was written by **Harley Davidson**. Her stage, Picnic on the Range, had the shooter hunting for picnic grub on the range. This stage required 9-rounds in the rifle, 10-rounds in two pistols and 3 rounds in the shotgun. Fastest time

on this stage was by **Ramblin' Dave** who shot it in 22.53 seconds!

Stage Five was written by me. This stage had the shooter defending their homestead against an Indian attack. This stage required the shooter to fire 10 rounds from their rifle, 10 pistol rounds and a minimum of 4 rounds from the shotgun. Fastest time was by **Purgatory** who shot it in 31.12 seconds.

I won't be at the June shoot since I will be showing my 1966 GTO Convertible in the Medford Cruise. But if you've got something to say you can meet me around our virtual "campfire" on the JSR Website. Until next time....

when we need to work on trophies, and when we can get together and build some nice facades. So, please plan on joining us July 10th at 6:30pm at Angelo's Pizza in Phoenix. If you need directions feel free to call me at 941-2959.

At the last business meeting, the members in attendance voted to accept the proposed amendments to the JSR bi-laws regarding officers and check writing

for the club. Checotah also officially stepped into the position of Treasurer while Long Henry is out. On a light note, we also celebrated Jed I's 40th birthday. A few cowboys & cowgirls got together and got him his SASS life membership to commemorate his milestone birthday. He was surprised and tongue tied to say the least!

For those of you that don't get to visit "The Fire" on our

website, Loreli Thayer from "Gussied Up" is trying to liquidate the inventory she had in her Jacksonville store. Due to some very serious health problems, she has had to close her shop and at this point does not expect to reopen any time in the near future. If you are interested in see what she has left, feel free to contact her at (541) 770-2717.

Happy reading!
