JSR Happenings's

By Harley Davidson,
SASS #47309

Time has flown by and there is less than 6 weeks to go before our annual shoot! And, of course, there is still so much left to do. There will be a few work parties to get the range ready to go. If you are interested in helping out it would be greatly appreciated. The BIG work

party will be July 29th. This will be to hang the sun shade at the pavilion, clean the restrooms, paint the props, and get things organized. The Friday before the annual shoot (August 25th) we will set up steel, paint targets, setup stages, get shooters registered, coordinate RV parking, and any other tasks to prep for the weekend's events. You can con-

tact Jed I. Knight or Harley for more information about helping at 941-2959.

For those of you that have still not registered, please get your applications in as soon as possible. So far, we have less than 50 shooters registered so there is still plenty of room. If you are registered, please *(Continued on Page 3)*

Special Points of Interest:

- Register today for the 2006 Shootout at Lithia Springs! Applications are inside!
- Want to help get the range ready for the annual? Check out the Work Party dates on Page 3.

KNIGHT VISION

By Jed I. Knight
SASS #36423

Howdy all!

45 shooters showed up for June's JSR monthly match! And it must have been pretty exciting! Especially with only 4.82 seconds separating the top four shooters. Congratulations to 4th place **Col. Cornelius Gilliam** (215.93), 3rd place **Tule Spud** (214.94), 2nd place **Ramblin' Dave** (214.94) and 1st place **Purgatory Smith** (211.11).

Fastest stage times were: Stage One; **Purgatory Smith** 29.94 seconds, Stage Two; **Col. Cornelius Gilliam** 38.23, Stage Three; **Tule Spud** 42.35, Stage Four; **Purgatory Smith** 36.92 and Stage Five; **Tule Spud** 36.64.

Stage writers for June's shoot were **MT Dawson**, **Bar-**

barosa Mike, **The Colonel**, **Sourdough Smitty** and **JD Walker**. Thank you all for taking on this task!

I wasn't able to attend the June shoot because the family and I were at the 2006 Medford Cruise. I have attended the Medford Cruise, with the same car, since 1984. This year was the first time we went on the Poker Run, which takes place on the Friday before the Show and Shine and Cruise. The Poker Run sure was fun and the weather was just perfect for a "top-down" cruise around the Valley.

The 150-mile Poker run took us on a lap around the Valley starting with breakfast at the Hometown Buffet, then a scenic trip out HWY 62 to the Eagle Point golf course, then around the Table Rocks along HWY 234 to Del Rio Vineyard outside of Gold

Hill, from there out old HWY 99 to Grants Pass for a stop at the Boy's and Girl's club, then out thru Ruch to Applegate for a stop at Valley View Vineyards, on thru Jacksonville out South Stage Road to the Umpqua Bank in Phoenix and then back to Medford for the final stop at Red Robin. On each stop we received a stamp good for one card when we reached our final destination. I was able to produce a pair of Aces for my final hand (which, unfortunately, was not the winning hand). *(Continued on Page 3)*

JSR Happenings

(continued...)

encourage your pards to join us for this event. As always, we will have a great time! There will be several new props and great new stages to keep everyone on their toes. You are guaranteed to have a "BLAST"!

As a side note, if you are interested in being a match or stage sponsor, contact the Col as soon as possible so we can make sure you get listed in the shooters' handbook. Until next time Happy Reading!

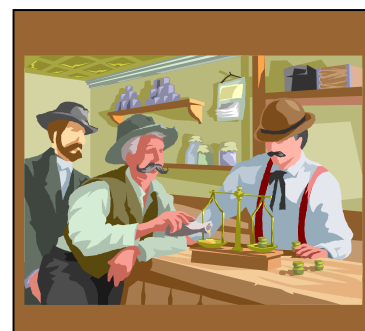

KNIGHT VISION

(continued...)

See y'all at July's shoot! And please, if you are able, help us out by signing up for our work parties during the month of July and August. I made sure they didn't interfere with any local shoot days so that we could get the greatest number of "cowhands" helpin'. Harley has listed the dates in this month's newsletter so be sure to mark them on your calendar. Bring your tools and plenty of water!

As always, if you've got something to say you can meet me around our virtual "campfire" on the JSR Website.
