Summers for Cowboy Action Shooters around here can be packed full of excitement. In addition to having a monthly shooting match every weekend most

of the club annuals take place during the summer months! This week Albany hosts there annual and many of the Southern Oregon shooters are heading that direction. For the few of us left here, fear not, because we will still have our monthly match! Jed

and I will be at the range this Saturday to set up some stages and have a good time.

The annual shoot is also here! We are ready to have a great two days packed full of fun, shooting, and *(Continued on Page 4)*

KNIGHT VISION

Jed I. Knight
SASS #36423L

Howdy all! 34 shooters came out to Ashland for the July match and enjoyed stages written by **The Col, Dawson, Harley, H. Apple Bob,** and myself. Special congratulations go out to this month's winner of a clean match **The Oxford Kid** (18th overall and 2nd in the Modern category).

On Stage One, by **Col. Cornelius Gilliam**, the shooter got to blaze away with at least 10 shotgun rounds, 10 pistol rounds and throw a tomahawk for a bonus (if it stuck in it's designated target the shooter got the bonus!). Fastest time on this stage was **Col. Cornelius Gilliam** (1st place overall and in Frontier Cartridge).

Stage Two, by **MT Dawson**, had the shooter thwarting a train robbery and shooting it out with a card sharp. This stage required 10 rifle rounds, 10 pistol rounds and six shotgun rounds plus an on the clock reload of 3 rounds in the rifle. The fastest time on this stage was by **Bear Bones Smith** (2nd place overall and 1st in the Traditional category); he shot it in 52.18 seconds.

Stage Three was penned by **Harley Davidson** and had the shooter "plinking" at targets in a shooting gallery. On this stage the shooter fired 10 rifle rounds, 10 pistol rounds and 2 shotgun rounds in any order as long as all the "shooting gallery" targets were hit at least once. The stage ended with a ring toss; the shooter had to loop a

lasso around a steel-target-steer-head (success netted the shooter a 5 second bonus). The fastest time on this stage was by **Bear Bones Smith**; he shot it in 24.63 seconds.

Stage Four was written by **H. Apple Bob** and was a tribute to the late JSR shooter **William Bonney Buckmaster**. H. Apple also built a nice prop that he used on this stage and even though he wasn't shootin' in the heat he set-up the stage for us and then stayed around to read the stage description and explain the shooting sequence. The stage requirements were 10 pistol rounds, 9 rifle and six shotgun rounds. The fastest time on this stage was **Col. Cornelius Gilliam**; he shot it in 31.90 seconds.

Frontiersman Shoot

At September's Monthly Match

Want to have a "BALL"? Join Jed I. at the September shoot and bring your Frontiersman guns. That's right it's time to gather a group brave enough to compete in the Frontiersman category. Here's what you need: 2 Cap 'N' Ball pistols, your lever rifle and a SXS or Lever Action Shotgun all loaded with Black Powder. Last year we had 4 shooters join in the fun! So, let's do it "old style" again and see if we can bring more Frontiersmen out to join in the fun! If you need more info give Jed I. a call, send him an "emule" or catch him at one of the shoots.

July Business Minutes

July 10th, 2006

Meeting called to order at 6:45. Minutes accepted as written (motioned by Just Bill and 2nd by Sweetwater)

Treasurer's report by Checotah. Report handed out and accepted as written (motioned by H.Apple and 2nd by Sweetwater)

Ashland gun club report by Just Bill. The shot gunners have not been paying range fees unlike the J.S.R group. Gate security was also discussed.

Territorial Governor Report, by the Colonel. Bullet velocity and smoke standards were discussed during the End Of Trail report.

Shoot Reports:

Ashland -
Roseburg - 27shooters
Merlin -34 shooters
Table Rock- 22shooters
Klamath -36 shooters

New Buisness: A book is available by Steve Shaw.

Trauma kits are available for \$20 a kit. The club will be purchasing a few.

Scenario writers: The Colonel, H.Apple, Harley, Jed I, Dawson.

Other business, Sourdough and Bill gave a report on the gunsmithing and leather class. Every one seemed impressed and recommended the class to others.

Shoots this month's; Roseburg...TRUE GRIT July 22, 23rd

Merlin August 5
Table Rock August 6 at 9:00
K.Falls August 13
J.S.R August 19

Motion to adjourn; by Chacotah 2nd by Sweet water.. Meeting adjourned at 7:15

Business Meeting

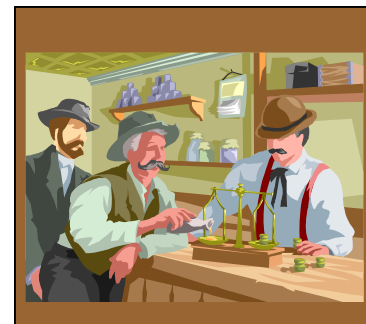

September 11th, 6:30pm

Angelo's Pizza, Phoenix

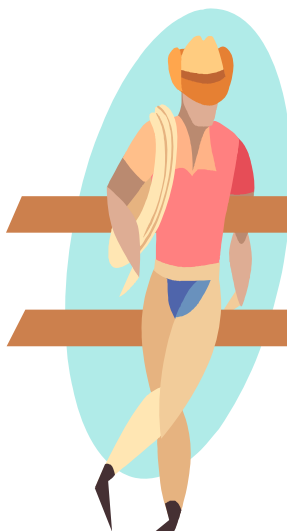

Monthly Shoot

September 16th, 8:30am

Ashland Gun Club

KNIGHT VISION (CONT.)

Stage Five was written by me. "Posse Ambush" required the shooter to fire 10 rounds from the rifle, 10 rounds from 2 pistols and 6 rounds of shotgun shells. The fastest time on this stage was **Molly b'Dam** (3rd place over all, first in Ladies Senior); she shot it in **39.77** seconds.

There you have it, a recap of this month's five fun-filled stages! Thanks again to our stage writers (I heard a lot of really positive comments on the stage variety this

month)! If you have ideas or suggestions for stage designs feel free to come to our meetings and share them with the club or volunteer to write a stage. Questions on proper stage design should be aimed at to our Match Director, Col. Cornelius Gilliam.

I sure do hope the other two posses ran as smooth as the one I was on. We had 11 to a posse this month (as many of you know that is about minimum to get all the posse chores done) and everyone

on our posse really pitched in. Everything was covered from loading table to brass pickers, to Timer Operators to unloading table... well, you get the idea. Thanks everyone for your help, it really did make for a smooth movin' and shootin' posse.

JSR Happenings (cont.)

good food. There is still plenty of room if you haven't gotten your registration forms turned in, so call the Col. (541-734-8509) and let him know you will be shooting.

If you are available we will be setting up stages and putting the finishing touches on the range for the event on Friday, August 25th starting at 8am. We will be there all day and would love to have all the help we could get.

On a side note, for those of you who are members of the Ashland Gun Club, a keypad has now also been installed on the inside of the gate so you will need to

enter your pass code to get out as well. It is the same pass code as the one to get in. The club has done this to prevent people from hoping over the fence and pushing the button to get the gate to open. So the next time you head down to the range for some practice be prepared to enter your code to get in and out of the range.

I hope you are staying cool this summer and hope to see you soon at the shoots. Until next time, Happy Reading!
