JSR Happening's

By Harley Davidson,
SASS #47309

It is fall once again and harvest festivities are just weeks away. And, then we will find ourselves welcoming winter and the related holiday traditions.

To welcome these holidays JSR also has plans for the seasons. The October shoot this month will be in true Halloween fashion with a costume shoot. Come as your favorite

ghoul, goblin, angel, fairy, etc. It will be a ghoulish time!

We will also have our turkey shoot in November. All shooters will have a chance to win a turkey for their thanksgiving feast and enjoy a chili feed after the match. You can also bring a side dish or dessert to share with everyone!

To end the year and celebrate the Christmas season JSR will be joining with

the Table Rock Rangers and Merlin Marauders to have the largest Cowboy Christmas Celebration to date! All three clubs will be joining forces to organize the biggest and best holiday party yet! Watch the mail in early November for your invitation to this year's event. If you are interested in helping contact Harley Davidson, Derringer Donna, or Molly B'Dam.

Until next time, happy reading!

KNIGHT VISION

By Jed I. Knight
SASS #36423

September's regularly scheduled monthly match had 39 shooters in attendance. Thanks to all who showed up and special thanks to our stage writers and steel haulers; we sure do appreciate the help!

Stage 1 – was written by **Jed I. Knight**, the fastest stage time was by **Purgatory Smith**; he shot it in 24.47 seconds. *Stage 2* – was written by **Col. Cornelius Gilliam**, the fastest time on this stage was by **Ramblin' Dave** who shot it in 26.16. *Stage 3* – was written by **Sourdough Smitty**; **Ramblin' Dave** took fastest stage

time at 30.68 seconds. *Stage 4* – was written by **MT Dawson**; fastest stage time was **Ramblin' Dave** again with a time of 40.66. *Stage 5* – was written by first time stage-writer **Kidd Krystin**, fastest time on this stage was by **Purgatory Smith**; he shot it in 30.21 seconds.

At September's match we had a group of 4 Frontiersmen; **Col. Cornelius** took 1st; **Jed I.** took 2nd, newcomer **Bad Billy Beston** took 3rd, and **Treacherous Jack** took 4th place. There was a lot of frustration from the "Clone" users (the Col. seemed able to keep his Ruger Old Army revolvers running relatively smooth). But the rest of us battled the

"Clone Wars" with cap fragments jamming up the action, failure to fires, ramming levers falling, etc.... This is quite a challenging category to shoot in; but fun none the less. I think it adds a sense of realism to the fantasy game we play. Also, it seems that Bad Billy Beston might have caught the Black Powder bug... I think we may be able to convert him over to the darkside.

That's all I have for this month. If you've got something to say meet me around the virtual campfire at www.jeffersonstateregulator.com/thefire
