## JSR Happening's

By Harley Davidson,  
SASS #47309

Planning for the Shootout at Lithia Springs 2007 has begun! The planning meetings follow the JSR business meeting the second Monday of every month. Please come and join us! See the Scheduled Events section for meeting details. The shoot is set for August 25th & 26th. The applications will be

mailed out and available on the JSR website the middle of next month.

As some of you may be aware, the Ashland Gun Club has been actively in the process of renewing its lease with the city of Ashland for 12+ months. They are trying to include more restrictions like the times we can shoot, limiting our overnight events like our annual shoot to

one night only, and what kind of guns can be used at the range. If you know anyone on the Council, please put in a good word for the Range or even consider writing a letter to them. Every positive word would help.

Until next time,  
happy reading!

## KNIGHT VISION

By Jed I. Knight  
SASS #36423

Howdy all! February's JSR match brought out 42 shooters, including a buckaroo; The Kid Gunslinger, a buckarett; Kookanadude and two Young Guns; Cross-fire Kid and Emmy Oakley. We are very happy to have you youngsters shooting with us... but remember it is considered very bad form to shoot faster than your mentors! All kidding aside you all are doing outstanding out on the range! Y'all are safe (our number one priority) and you're having fun. If you have any questions, or want to try different shootin' irons don't hesitate to ask - with the approval of your "sponsors" all of us would be happy to help you out.

The top three shooters for February's match were 3rd

place, Purgatory Smith (Gunfighter, total time 166.85), 2nd place, Ramblin' Dave (Senior, total time 165.76) and 1st place went to Col. Cornelius Gilliam (Frontier Cartridge, total time 162.46). As you can see by those scores it was a very tight race! Ramblin' Dave also managed to turn in February's only "Clean Match"... fast and accurate; way to go Dave!

Special thanks to all of our stage writers and to those that show up early to help set up steel.

Stage 1 was written by J.D. Walker. This stage, the JSR "shotgun stage" required a minimum of 12 shotgun rounds and 10 rounds out 2 pistols. The fastest time on the stage was by Ramblin' Dave (Senior), he shot it in 36.57 seconds.

Stage 2 "Cupid's Love" was a fun tale penned by Kookanadude and Harley Davidson. In this stage the shooter, playing the role of Cupid, flew around town blasting hearts and cowboys. The stage required 2 pistols loaded with five rounds each, a shotgun with 4 rounds and a rifle loaded with 10 rounds. The fastest time on this stage was Col. Cornelius Gilliam (Frontier Cartridge) he shot it in 28.65 seconds!

Stage 3, "Double Ended Trouble", was written by Col. Cornelius Gilliam. This stage had the shooter hot on the trail of the outlaw pair JD Walker and Harr Trigger. The shooter needed 10 pistol rounds, 10 rifle rounds and a minimum of 8 shotgun rounds to stop JD and Harr! Fastest time was 37.12 seconds (Continued on Page 3)

## KNIGHT VISION (CONTINUED)

by **Ramblin' Dave** (Senior).

Stage 4, "Crossfire" was written by **Jed I. Knight**. This stage had the shooter caught between a troop lead by **Col. Cornelius Gilliam** and a band of Confederates lead by **1<sup>st</sup> Sergeant. Purgatory Smith** (Gunfighter) can claim bragging rights on this stage with the fastest time; 22.93 seconds!

Stage 5, "Corn Liquor Corn-fusion", was written by none other than **Treacherous Jack**. This scenario had the shooters, sobered up from a night sippin' Moonshine Delight, shootin' a wall of 12

targets two times each. The stage requirements were, two pistols loaded with 5-rounds each, 1 rifle loaded with 10 rounds and 4 rounds for the shotgun. Fastest stage time was by **Purgatory Smith** (Gunfighter) he shot it in 26.56 seconds.

Do you have an idea for an interesting stage? If so, come to our monthly business meetings and volunteer to write a stage for the next shoot! Contact JSR's Match Director **Col. Cornelius Gilliam** for more information!

Do you have an event

planned? Something to sell? Something to say? General questions about SASS or the local shooting clubs? Then meet me around the virtual

campfire at [www.jeffersonstateregulators.com/theire](http://www.jeffersonstateregulators.com/theire). The campfire is a welcome place for members of all clubs.

## SPOTTERS:

If you think it is a hit, it's a HIT. If you *think* it is a miss, it is a **HIT!** Remember, you actually have to SEE THE MISS. Don't listen for the sound of ringing steel (some targets are "dead"); don't look to the other spotters to see what they came up with. Pay careful attention when counting – and if you are distracted by something tell the Timer Operator that when asked for your count.
