## JSR Happenings

By Harley Davidson,  
SASS #47309

The shootout at Lithia Springs is a little more than a month away. So far registration has been slow, but everyone is hopeful that we will have a great crowd of shooters. If you still plan on shooting, please get your apps in as soon as possible.

If you are available, there

will be a work party Friday, August 24th where we will set up steel, clean bathrooms, set up the pavilion, and hang the pavilion shade. All help would be greatly appreciated. Please bring any tools, tall ladders, or other items you think would be helpful in getting the job done. Lunch will be provided for those

folks who come to help.

If you have any questions regarding the annual please feel free to call the Col. at 734-8509 or Jed at 944-2281.

We hope to see you there! Until next time, happy reading!

## KNIGHT VISION

By Jed I. Knight  
SASS #36423

Howdy all! 25 Shooters came out to JUNE'S JSR Monthly match, including a Buckaroo (**Kid Gunslinger**), a Buckarett (**Kookanadude**)!

The top three shooters for March's match were; 3<sup>rd</sup> place, Bear Bone Smith (Traditional); 2<sup>nd</sup> place, Ramblin' Dave (Senior) and 1<sup>st</sup> place Purgatory Smith (Gunfighter)

Of course, as always, I want to say a *special thanks* to all of our stage writers and to those that show up early to help set up steel and stay after to help us tear down steel.

Several stage scenarios

this month had a similar plot device. It seems that with the change in the weather the Steel Horse has been a popular topic, in both conversations and popping up (albeit hidden at times) in stage descriptions.

Stage 1, "Chasing Rebels" was written by Sourdough Smitty. Stage requirements were 10 pistol rounds and 14 shotgun rounds. Fastest time was Ramblin' Dave with who shot it in exactly 41 seconds.

Stage 2, "Taking Care of the Dirty Laundry" was written by Kookanadude. Stage requirements were 10 pistol rounds, 4 shotgun rounds and 9 rifle rounds. The fastest time

on the stage was 22.89 seconds by Purgatory Smith.

Stage 3, "Father's Day Ride" was written by Checotah. Stage ammo requirements were 10 pistol rounds, 10 rifle rounds (including 1 round reloaded on the clock) and 6 shotgun rounds. Fastest time was Purgatory Smith at 32.57 seconds.

Stage 4, "Diamond Jack" was written by Col. Cornelius Gilliam. Stage ammo requirements were 10 pistol rounds, 10 rifle rounds and 6 shotgun rounds. Fastest time was 33.74 seconds by Ramblin' Dave.

## KNIGHT VISION (continued)

Stage 5, "TJ's Train of Pleasures" was written by Jed I. Knight. Stage requirements were 15 rifle rounds (including a FIVE round on-the-clock reload!) and 10 pistol rounds (no Shotgun was used on this stage). Fastest time was 31.21 by Col. Cornelius Gilliam.

There are exciting things planned for Ashland's Jefferson State Regulators over the next few months.

In August we have our Annual Shootout at Lithia Springs; Col. Cornelius Gilliam has plans for exciting and inventive stages for this year's annual. And with the creative talents of Just Bill there are sure to be some interesting and reactive targets! Stay tuned for more info...

In September I am happy to host the 3<sup>rd</sup> Annual Frontiersmen match (held

at our regular September match). This is the opportunity for cowboys and cowgirls who like the old cap and ball pistols to get together with a like minded group and shoot guns that, for most, end up gathering dust. The more people who show up to shoot these relics the more fun we have! Seriously, if you want a chance to be competitive on a, somewhat, level (Continued on next page)

## KNIGHT VISION (continued)

field come out and join us!

October's match will be the 2<sup>nd</sup> Annual JSR costume shoot. All shooters are encouraged to attend in costume (pirates, spacemen, vampires, whatever – anything other than “cowboys”). There will be prizes for best costume and food after the shoot. More info to come! Start getting prepared for the fun now!

And in November we will be having the 1<sup>st</sup> annual Wild Bunch shoot!

This, like September's Frontiersmen match, will undoubtedly become an annual event. Get out your 1911's and stoke up your 97's for this fun match. And again, like the Frontiersmen match, all other categories will be recognized at the shoot – this is just a chance to get out the guns we don't use that often and play, competitively, with our friends.

Do you have an idea for an interesting stage? If so, come to our monthly membership meetings and volunteer to write a

stage for the next shoot! Contact JSR's Match Director **Col. Cornelius Gilliam** for more information!

And don't forget to sign up for the JSR annual! See ya all there!

I have been known as Harley Davidson since I joined SASS in August of 2002. I can't count the number of times I have been asked "So what do you ride?". I am ecstatic to announce I can now answer that question! The day before my 31st birthday I went up to Salem Harley and picked up my 2007 Sportster XL 1200N Nightster. I have been riding ever since!
