JSR Happening's

By Harley Davidson,
SASS #47309

Hello fellow Cowfolk! This weekend (August 17th-19th) is the State Match in Albany. Because most of the JSR membership will be at the State Match JSR will **NOT** be having our scheduled monthly match. The following weekend we will be making up for the lack of a monthly match by having our annual Shoot-

out at Lithia Springs. There is still room, so if you have not signed up yet and would like to give the Col. a call at 734-8509. He would be happy to sign you up. We will be having a setup work party Thursday afternoon/evening and Friday August 24th beginning at 7:30am. Any and all help would be greatly appreciated. JSR will provide lunch on Friday.

There is a tentative schedule of events on page 4. On a side note, if you live in Ashland and have room in a freezer to keep 20-20lbs bags of ice, please let me know as soon as possible. We are trying to find a place close to the range where we can get ice on Sunday morning. Thanks!

Until next time, happy reading!

KNIGHT VISION

SASS #36423

Howdy all! 35 Shooters came out to JULY'S JSR Monthly match, including one Buckarette (**Kookanadude**) and 2 Buckaroos (**Young Doc McLain** and the **Kid Gunslinger**)!

As I am sure you have already heard or read elsewhere JSR will **not** have their regular monthly match on August 18th. The majority of our members will be in Albany for the State Match. When we return we will be scrambling to put the finishing touches on this year's annual Shootout at Lithia Springs - which falls on the weekend di-

rectly after the State Match.

Of course, as always, I want to say a **special thanks** to all of our stage writers for their creative scenarios and interesting shooting sequences. And thanks to those that show up early to help set up steel and stay after to help us tear down steel. All of this hard work is an important part of the game of Cowboy Action Shooting.

The top three shooters for JULY'S match were; 3rd place, **Treacherous Jack** (Traditional); 2nd place, **Col. Cornelius Gilliam** (Frontier Cartridge) and 1st place **Purgatory Smith** (Gunfighter).

Stage 1 was written by **Col. Cornelius Gilliam**. Fastest time was by **Purgatory Smith** (y'all may notice a trend developing with this first stage fastest time) with who shot it in exactly 33.90 seconds. Stage 2 was written by **Kookanadude**. The fastest time on the stage was 25.81 seconds by **Purgatory Smith**. Stage 3 was written by **Just Bill**. Fastest time was **Purgatory Smith** at 25.46 seconds. Stage 4 was written by **Jed I. Knight**. Fastest time was 28.25 seconds by **Purgatory Smith**. Stage 5 was written by **Treacherous Jack**. Fastest time was 20.14 by **Purgatory Smith** (see what I mean by a *(Continued on Page 3)*

KNIGHT VISION (CONTINUED)

“trend”? Our Resident-Evil-Gunfighter managed fastest stage time on every stage this month! Congratulations pard!)

Do you have an idea for an interesting stage? If so, come to our monthly membership meetings and volunteer to write a stage for the next shoot! Contact JSR's Match Director **Col. Cornelius Gilliam** for more information!

Don't forget: Next Month at JSR be sure to bring a pair of Cap and Ball pis-

tols out to the match for JSR's 4th Annual Frontiersmen Match. This is an excellent opportunity for those that want to try Cap and Ball shooting and still stay competitive. This is an extremely fun time and I am excited to get as many cowboys and cowgirls as we can together to shoot this style/category at JSR's September match. Remember it is a lot more fun if we get a LARGE number of participants to shoot cap and ball with us.

So, load up that black powder and let's make lots of smoke and flame for September's monthly match. If you have any questions regarding this “side-match within a match” give me a call. I'll be happy to offer advise to get you started down the road to the “dark side”.

See y'all at State and then at the Shootout at Lithia Springs the very next weekend!

SPOTTERS:

Remember, if you think it is a hit, it's a HIT. If you *think* it is a miss, it is a **HIT!** You actually have to SEE THE MISS. Don't listen for the sound of ringing steel (some targets are “dead”); don't look to the other spotters to see what they came up with. Pay careful attention when counting – and if you are distracted by something tell the Timer Operator that when asked for your count.
